MEMORANDUM FOR RECORD:

SUBJECT: Publications Review Subcommittee

STATINTL

The enclosed draft action prepared by the Intelligence Branch was reviewed today with [REDACTED] and the Intelligence Branch. It was determined that this action could not be logically completed at this time, since its place in the overall scheme of coordinating research and production is not yet clear. Hence, the Chief of the Planning Staff decided to table this action, pending further progress by the Intelligence Branch under Planning Directive 32.

Suspense date for next informal check will be 20 June.
